Course Structure

The Course is designed to kindle interest and foster critical inquiry into the topics pertaining to the domain of International Law. The programme focuses on themes that are contemporary, relevant and scarcely included in regular curriculum and teaching-learning process. The Course is specifically designed to dedicate each day to one specialised area of International Law. The specialised domains of International Law selected for this programme respectively are: International Law Teaching Pedagogy, Theory and Practice of International Law, India and International Law, Public International Law, International Trade Law, International Investment Law, International Humanitarian Law.

The Course shall culminate with a Panel Discussion on the topic of 'India and the Shaping of International Law; Why it Matters, Where are we and Where do we go from here?'. This shall be followed by a key note address by a Distinguished Jurist
