

ONLINE NEGOTIATION SKILLS CAPACITY - BUILDING PROGRAM

LEARNING GOALS

- Build healthier, more productive relationships
- Gain alignment and buy-in from others
- Deal with difficult people and situations
- Collaborate with others to get better results
- Sustain and share negotiation best practices in your work and life

LEAD INSTRUCTOR

JOHN SHULMAN

John is a graduate of Harvard Law School, USA, and has worked with Harvard on its Middle East Peace project, with the United Nations Criminal Tribunal for Rwanda, and with numerous NGOs, Governments and agencies, including High Courts and Ministries across India.

BENEFITS

- Registered participants who complete the four 90-minute online sessions and one hour of self-paced online negotiation simulations will receive a certification of Interest-based Negotiation Skills from Alignor and NLUD.
- Registered participants will receive a full year's access to more than two dozen online negotiation simulations you can use to practice your negotiation skills after the seminar.
