# WHY ZAFIR

*Welcome to the first edition of National Law University Delhi's Sports Festival!*

*'Zafir' means 'victorious' in Arabic, and the word represents the unadulterated spirit of perseverance that our sports contingents have always believed in.*

*While skill, talent etc. might hold an important place in sports, we believe what is even more important is the unending desire to keep moving forward – to never give in, and to never give up. That, in our view, is true victory, and makes for a true champion.*

The first ever edition of our Sports Festival offers a big bunch of attractions to all prospective participants. So if you're (still) thinking as to why you should invest your time and energy in coming to our fest, here's why!

## IT'S NOT JUST A SPORTS FEST

That's right, folks! Zafir is being organized along with NLU Delhi's annual cultural festival, Kairos, which itself brings along a whole range of exciting events to witness. Once you return to the University campus after having played your heart out at our amazing venues (see below), you can be witness to fantastic competitive events such as Group Dance and Band Contest etc., as well as the ever-entertaining "Pro-Nights" starring your favourite celebrities.

## BREATHTAKING VENUES

With a seating capacity of over 60000, Jawaharlal Nehru Stadium offers the best

possible facilities for different competitive sports to take place under one roof. Carrying the legacy of India's first Prime Minister within its name, JLN stadium was a successful host to both the 9<sup>th</sup> Asiad Games (1982) as well as the grand Commonwealth Games (2010). JLN Stadium's iconic character and crown shape is adequately complimented with the PTFE/Teflon roof that covers the outdoor seating arrangements. A 10-lane synthetic track, a 400-metre warm up track and a 2500-seat gymnasium are also part of the grand complex which is also home to the office of the Sports Authority of India. Thermal insulation on roof, glazing with double-insulated glass and cavity walls; JNS proves state-of-the-art facilities for sportspersons expected at Zafir 2016: National Law University's first Sports Fest. The other venue for the fest is the Talkatora Stadium, which is truly a unique piece of architecture that houses multiple facilities that include video screens, sports lighting, and acoustic ceilings.

With the state-of-the-art Dr. Shyama Prasad Mookherji Swimming Complex and Boxing Complex within the stadium, Talkatora is the most frequently-used stadium for even professional national boxers and swimming champions.

## **WOMEN'S EVENTS**

At NLU Delhi, we recognize that participation and representation in sports is not dominated by any one gender. We hope to present a platform for students of all genders to show off their strength, talent and sporting spirit, on account of which participation in events like cricket that have traditionally been open only to male participants, will also be extended to female members of all contingents.

## **WE DELIVER QUALITY**

Apart from top-notch surrounding infrastructure, we also ensure the best of equipment and top-quality refereeing in all sports, so as to ensure maximum competitive standards among the marvelously-skilled teams that NLU Delhi is going to host. Besides, fairness is something we keep above everything else, especially when the situation involves investment of a huge amount of effort from stakeholders! We assure you complete transparency in all processes including fixtures, event-scheduling, refereeing and scoring and the line.

## **DILWALON KI DILLI!**

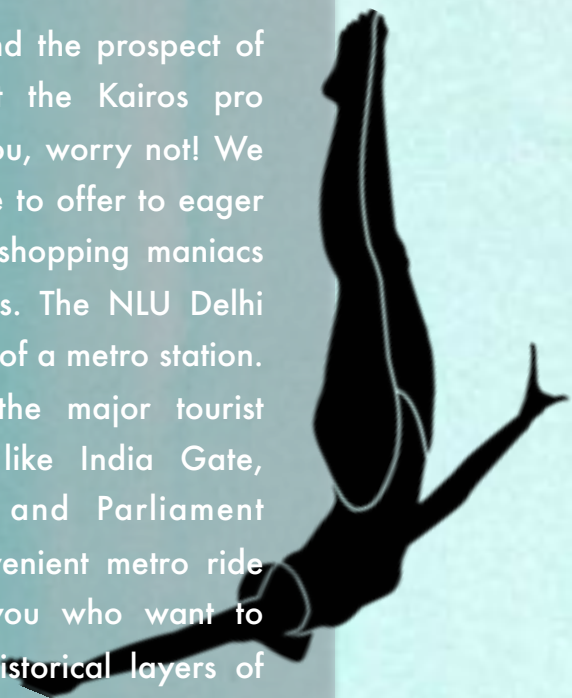

If the allure of coming and playing at the world class facilities of Jawahar Lal Nehru Stadium and Talkatora stadium is

not enough for you and the prospect of fun filled evenings at the Kairos pro nights doesn't excite you, worry not! We at Delhi have lots more to offer to eager tourists, history buffs, shopping maniacs and passionate foodies. The NLU Delhi campus is right in front of a metro station. This means that all the major tourist attractions of Delhi, like India Gate, Rashtrapati Bhavan and Parliament House are just a convenient metro ride away. For those of you who want to explore the multiple historical layers of the city, places like Qutub Minar, Purana Qila, Red Fort and Humayun's Tomb offer a rare glimpse into a city built again and again over many centuries.

What's better is that our main sporting venue of JLN stadium is right next door to the popular Khan Market and not all that far from the chic and effervescent Hauz Khas village. One can easily indulge in shopping sprees or gorge oneself at popular joints like Khan Chacha and Raasta. And if you feel adventurous enough, the metro will also take you to the booming cyber hub of Gurgaon to enjoy all of its attractions.

For those of you with a spiritual bent of mind, Delhi offers various attractions like the Jaama Masjid (more great food, Kareem's is nearby), Iskcon Temple, Akshardham Temple, Gurudwara Bangla Sahib and the Lotus Temple.

Whether it is serenity you are looking for, or the nonpareil pulsating lifestyle of the nerve center of India, Delhi has it all.
