Discussion Live on YouTube

HOT BUTTON ISSUES

What is the IP &
technological landscape of
Covid-19 vaccines &
drugs?

What is the situation on
access to Covid-19
technologies in India?

Is IP a barrier in scaling
up production when
technology licences are
available?

With India indicating
amending the TRIPS waiver
proposal, what will it look
like?

What are India's policy
options to achieve vaccine
equity if prices remain a
concern & scaling up
remains a challenge?
